

# Early Years News

Welcome back-we hope you have all had a lovely summer break. It has been fantastic to see so many happy faces-the children have been great and have settled in really well.

The children will bake or taste food on a daily basis. We ask for contributions of £1 per week for this activity.

Our learning opportunities for the week commencing 12<sup>th</sup> September 2016 will be related to 'ourselves'. This week we are leaning about our faces.

We will be making our own model person with hair! We will also be: having fun in our role play opticians; making smelly potions; making our listening ears ready for phonics and cutting and sticking our favourite foods.

On the baking and tasting table we will be: tasting spaghetti; carrot sticks and dips (to help our eye-sight); exploring smelly foods; tasting rice crispies and stimulating our taste buds with different foods.

Reception children will be spending the **afternoon outdoors** on Tuesdays. Could you please send them equipped with weather appropriate clothing and footwear on these days! You are welcome to leave a pair of wellies at school if you wish.

**For show and tell:**  
Bring in something to tell us or show us about your summer holiday.
