

# Early Years News

Our learning opportunities for the week commencing

**Tuesday 2nd May 2017** will be based on 'The Three Little Pigs' and 'The Gingerbread Man' as part of our fairy tales topic. We will do lots of story re-telling and acting out. We will also be thinking about houses.

## **Nursery children will also be:**

Combining materials to make a house for the three pigs and using a tablet to make a house picture. We will also practise our counting by putting a certain number of buttons on our gingerbread man and decorate our own gingerbread man.

## **Reception children will also be:**

Learning about how food goes from farm to fork on their trip on TUESDAY. Please can everyone come dressed ready for the weather and the farm. They will then be following up on the trip during school time.

On the baking table we will be: tasting bacon and sausages; decorating a house and making our own gingerbread men.

**SHOW AND TELL:**  
Either bring a photo of you performing a balance or practise a balance at home to demonstrate in class.
