## Whole School Recipe Competition – October 2017

Dear Children

This week for your PAL we would like you to create one, very nutritious meal. We're asking you to do this because we would like to enter a competition to win £2000 of cooking and baking resources for school. Please draw your meal and describe it. Say why it's your favourite and why these foods are good for you, no more than 200 words please. The competition is being run by the Belling Cooking Club - <http://www.belling.co.uk/cookery-club/> .

Here's a bit of blurb from the website.

*As part of a cooking and nutrition lesson, schools are asked to get pupils to produce a picture of their favourite nutritionally balanced meal, along with a description of why they like it so much and why it's good for them.*

*Pupils can work on the entry individually or as a class, and each school will be asked to **select a single entry** to be sent to Belling alongside a brief explanation from a member of teaching staff about the school's existing facilities and what winning the prize would enable them to do.*

*The Belling Cookery Club competition is open to all primary schools.*

*A shortlist of ten schools will be selected. A public vote on the Belling website will then take place with winners announced in early January 2018.*

Each class will choose a winning entry and then one final entry will be chosen to represent the school in this competition. The closing date for bringing your nutritious meal entry into school is Tuesday 17<sup>th</sup> October.

Have fun!
