

## Year 3 News and PAL – 6<sup>th</sup> October

Dear Everyone,

We've had another busy week in Year 3 full of learning about subtraction, X tables, mental maths, the past and present tenses, Woolly Mammoths, fossils, reading, spellings, the orchestra, handwriting, netball, rugby and how to be safe on websites on the internet! Phew, what a lot of fabulous learning. 😊

Last week the three children that were chosen for the Friday special table for their fabulous effort with their handwriting were Arlo, Will and Reuben. They worked very hard all week and we were very proud of them all. Well done!

This week our theme for the Friday special table is kindness. This worked by nominations. During the week the class wrote down the names of children who had been kind to them or others. The talk of nominations was then counted up. It was lovely to hear of caring kindness, friendly kindness, kindness with smiles and manners and kindness in learning. Well done everybody! The three children chosen for the Friday table this week for being very kind (although it was very close because there was so much kindness from everybody) are Bella, Lily and Madison. Well done!

On **Thursday 19<sup>th</sup> October** we are inviting you to come into Year 3 to see what we have been doing this half term. We will have a team challenge, refreshments, singing and a showing of the work that's been done. It will start at about 2.30pm and last until 3.30pm. Everybody is welcome.

### PAL

Next week we have people from the Kirklees Road Safety team coming into school to help us to learn to be safe when walking on roads. PAL this week is to read the booklet that comes with this PAL and to create your own poster in your PAL books to help you to stay safe on the roads.

Have a lovely weekend and see you on Monday.

Miss Stables, Mrs. Hague and Mrs. Kenworthy
