

Early Years News

We hope you have a lovely half-term. Thank you again for all your help and support so far this year.

Our learning opportunities for the week commencing **31st October 2016** will be related to 'colour'. This week we are learning about warm and cold colours and celebrating Halloween.

We will be: making pumpkin prints from potatoes; exploring how to make different shades of blue; making a collage from a range of colours; painting bonfire pictures and making a jar of fireworks!

On the baking and tasting table we will be carving peppers and tasting cold foods. We will also bake parkin and make some edible sparklers.

For show and tell:
What can you make from your apple? It might be a character, an object or whatever else you can think of!
