

## Year 3 News and PAL Feb 9<sup>th</sup>

Dear Everyone,

We have had another busy week in Year 3 this week. In literacy we have spent more time learning how to use conjunctions in different places in our sentences as well as writing about the Gods and Goddesses of Ancient Egypt. We then went on to create our own 'new god' to write a report about in our Fantastic Writing for this half term. We did this by mixing up the names of the gods which the class had been learning about to make up a new name. Next we worked out facts about our new god, drew a picture of the new god and then wrote our reports about them. The writing session was wonderful – lots of fabulous ideas and concentration. Well done everybody!

This week in math we have been learning about statistics. We've revised tally charts and frequency tables before moving on to bar charts and pictograms. As per usual we have also carried on learning our times tables and speeding up our mental math.

In science this week we had a fun lesson when we used dog biscuits to build our own versions of the human skeleton.

Thank you for all the wonderful 'making' PAL that's been coming into class this week. It's all fantastic and we are very impressed with all your ideas and also the level of detail in everything.

### **Reminder**

On Thursday Feb 15<sup>th</sup>, we have our Egyptian Day with a visiting theatre company. If your child would like to dress up 'in any way Egyptian' then that would be great. If you google 'Egyptian costumes kids' then you will find plenty of ideas.

### **PAL**

Pal this week is on Purplemash and also the last PAL this half term. The spellings for next week are again on Purplemash as a quiz as well as 'Speed Test Games' for the 3 and 4 x tables. Following on from maths in class this week, there is a '2Do' to create your own bar chart. You will need to find data to put into your bar chart.

You might choose something such as 'favourite animals' or 'favourite crisps flavour' and ask your friends and family so that you can create data.

Next Friday the children can bring in toys and games (nothing electronic please) for the last afternoon of this half term.

Have a great weekend, Miss Stables, Mrs.Hague and Mrs. Kenworthy.
