

Nursery & Reception News

Thank you for all the Gingerbread Man photos that have been sent so far... there's still time to email them if you can!

Next week we will be learning about The Elves and the Shoemaker and Hansel and Gretel.

Show and Tell

(everyday in Nursery and on Friday in Reception)

It's Halloween during half term but your child can come in dressed as something spooky on Friday 26th October and show and tell us all about their costume!

Week commencing

Monday 22nd October 2018

Our creative activities include mixing paints, using mirrors and digging for diamonds in the sand. We will be writing the number 7 in shaving foam and matching 7 items to it.

We will be making predictions about what happens when you drop biscuits in water and we will be visiting the pond.

Monday - we are pairing up different foods.
Tuesday - we are making pasta and tasting it with a range of ingredients.
Wednesday - we will be using up ingredients ready for half term...
Thursday - we are baking biscuits.
Friday - decorating our biscuits like the house made of sweets in Hansel and Gretel.
