Dear Parent/Carer

RE; CYCLE TRAINING

A Level 2 on-road 'Bikeability' cycle course will be run at school for pupils in Year 5 on the following dates – 6th to 9th November 2018.

The course will include skills exercises on the playground followed by basic manoeuvres on local roads for those who have reached the required standard of cycle control. Children will need a roadworthy cycle and a cycle helmet and will have to attend each day of the 2 day course. Further details are attached for your information.

Parents must check the cycle to ensure it fits their child correctly and is safe to ride.

We anticipate the cost of the cycle training to be £15.00 per child if the full class participates, this amount may change if parents do not wish their children to take part. There is a scale of charges based on the number of children involved in each course.

Can you please return the reply slip below, stating whether you would or would not like your child to take part, to the school office together with the attached cycle training consent form. Both forms should be returned no later than Friday 19 October 2018 so that final arrangements can be made.

Yours sincerely
