

Thank you for being part of **Our Biennale** – the brand-new arts and cultural **festival** made with children and young people.

Our Biennale aims to celebrate the creativity of children and young people in Kirklees.

We are delighted that your child took part in Our Darkness and Light Animation project.

This stop motion animation has been directed by high school students from Almondbury Community School with all content (visual, audio, poetry) created by 4 primary schools from across Kirklees. The children have worked with poet, Louise Fazackerley, to create poems, artist Chloe Williams from The Children’s Art School to develop visuals and musicians Charlotte Watson and James Mabbett to create soundtrack to be used in the animation.

The animation and artworks will be showcased at

The Big Draw and Play Day:

Discover drawing machines, build your own cardboard den and draw on the library’s windows!

The Big Draw and Play day is a **FREE** drop in event from 10.30am-3.30pm at Huddersfield Library and Art Gallery on November 10th

We look forward to seeing you there!
