

Dear Parents and Children,

Firstly, I'd like to take this opportunity to thank EVERYONE in Year 1 for their fantastic effort, attitude and behaviour towards learning over the last term. You've worked extremely hard and it is really paying off!

At the end of the week, you will be taking your bean plants home! Over the Easter Holiday it would be great if you could use Purplemash to complete a plant diary about what you have done to your plant and the changes you have seen. To do this, log on to Purplemash (I know some people have had problems with this. Please see Miss Sykes in the office if you need any further help). You will see '2do' activities on your homepage. The plant diary is one of these options. Launch the app. You can save the file and return to it later if you wish. Then simply click 'hand in' when you're done. Purplemash has lots of great help videos if you need them.

You might also want to have a look at:

- The phonics activities so that you can recap phase 5.
- The 2 type activity in the English section so that you can practice quick typing.
- Have a go at the clock activities under maths-time.

Have a wonderful break and I look forward to seeing you in the Summer Term, ready for our learning about Africa!

P.E. after half-term is cricket. Lessons will be conducted outside as often as possible.

Many Thanks and Well Done again everyone!
