Dear Parents

On Wednesday 18 September at 2.30pm and 6.00pm we will be holding two open events for parents where we will be introducing you to our new Curriculum. Each session is expected to last less than an hour and during both of these sessions we will set out to you the intent of the new school curriculum and this will be followed on with further curriculum focused parent information sessions throughout the school year. Please note that this is a change of date from the one originally listed on the School Update and Diary Dates and we will send out more details after we return to school on Tuesday 3 September.

In the meantime, we would like to thank you for all your cooperation and support during the last school year and wish you all a happy and relaxing summer!

Kind regards

Julian Rose
