

Dear Parents,

Unbelievably we are almost at the end of our year together with only a few days left!

We would like to say thank you for trusting us with your children and letting us get to know them, spend time with them and teach them this year. We have thoroughly enjoyed the different experiences we have had together and hope they leave us with lots of good memories of their time in Year Two.

We wish you all a wonderful holiday together as families and no doubt the children will return, refreshed and probably a bit taller in September!

The children have some amazing books, art work and projects to bring home and share with you so please could you send a **strong, large bag in to school for Wednesday 16th**, so we can begin to take everything down and send it home to you.

On **Thursday 17th we will have a board game challenge morning** – your child can bring in a board game to play with their friends and on **Friday 18th they can bring in a toy from home**.

Many thanks for all your support with reading, trips, visits, baking etc during the year, we have really appreciated it.

Happy holidays!

From everyone in Year 2 XXX
